For heroic achievement in action on 7 April 1945 near Sunderau, and  
Untereisbach, Germany. The above crew of a tank destroyer was informed that  
an enemy convoy was in the vicinity. With one squad of infantry in support,  
the crew moved their destroyer to the attack and came upon the enemy con-  
voy consisting of several self-propelled guns and artillery pieces. Despite  
the superiority in numbers of the enemy force, the crew pressed home the  
attack and destroyed several of the enemy vehicles and assisted in the cap-  
ture of the remainder. The heroic actions of these five men were responsible  
for destroying the entire enemy convoy.
